Subject Waiving of the Loan of Rs 57,000/- due to Government by the Shimoga Municipality

Mi 143-41-5(5.6)

With reference to your letter No E 9953 dated 21-3-50 on the above subject, I have the honour to forward herewith a copy of the resolution passed by the Council at their meeting held on 7-6-50 resolving to pay the Original Loan amount in ten equal annual instalments and to request the Government to waive at least the Ordinary and penal interest of the above loan for favour of information

It was pointed out during the discussion of the subject that the loan was granted for improving the Water supply of town and liberal contributions are even now being made by Government for the above purpose The Municipality has undertaken a large number of improvement works such as Under-Ground Drainage etc and have to provide large funds for obligatory duties which are increasing day by day and it will be very difficult to meet any additional expenditure

In this connection I write to point out that this is one of the important town in the Malnad Districts of the State and large amounts are being spent every years towards obligatory and discretionary functions It may not be out of place to mention in this connection that several proposals are on hand to lay sites in the Town Besides there are severaly rewly laid out areas which are to be provided urgently with the

the facilities of water supply Add to these wants, mere maintenance charges of water works alone have risen to nearly 50 thousand rupees per annum The increasing number of public fountains and the feeding lines and submains require immediate replacement as they were laid long ago For all these purposes the Council is forced to meet their way to provide money Government are pleased to sanction liberal contributions to all towns in the State for undertaking improvement works etc This is a loan taken for improving the water supply of the town In these circumstances, I request that sanction of Government may kindly be obtained for payment of the Loan amount in instalments and to waive the ordinary and penal interest as a special case as resolved by the Municipal Council

President

Sir,

Subject Waiving of a loan of Rs 57,000/- payment of arrears of annuity - waiver of interest

With reference to your letter No L 4667/II 147-50-2 dated 28-7-50 rejecting the proposal of this Council to waive the ordinary and penal interest due on water improvement loan and instructing to pay the arrears of annual instalments and the ordinary interest thereon before the end of July '50, I have the honour to state that the annual instalments due could not be paid by the end of July '50 as explained in my letter of even number dated 23-8-50

The question of repayment of the arrears of annual instalments was brought before the council on 9-9-50 They passed a resolution at their meeting held on that date that the two annual instalments towards principal may be paid and to request Government to waive ~~off~~ the arrears of interest Accordingly, I have credited a sum of Rs 11,051-8-0 being the V and VI instalments (annuity) due on 1-1-49 and 1-1-50 respectively towards the adjustment of loan of Rs 57,000/- due by this Municipality under the head " Advance " to the District Treasury On 20 9 1950 Please find herewith the relative Treasury Challan for ready reference

As regards the payment of two instalment annuity interest of Rs 1,932/- ~~each~~ due on 1-1-1947 and 1-1-1948, I am to state that the two annuities cited above are paid with greatest diffi-

~~difficulties~~

difficulty The closing balance has fallen below the minimum to be maintained in the Treasury In addition to this liability the Municipal Council has to pay very heavy arrears towards water supply maintenance charges due to the Bureau of Sanitary Engineering The last years instalment of Rs 10,899-2-5 due at the end of April '50 could not be paid owing to financial stringency Added to this, the loan of Rs 15,000/- is still remaining unpaid

Thus it is seen that this Municipality has begun to cripple in finance The financial condition could not be improved ~~owing~~ inspite ~~to~~ best efforts The figure under the service head is on the minus side T e Debt head balances like deposits, are being uitlized for meeting the normal expenditure The mosquito nuisance is inexpressible Plague epedemic is showing its head In order to erridicate these, in the interest of the health of the public a heavy amount to the extent of Rs 10,000/- is being ~~drawned~~ drawned off from the Municiapl funds Efforts are being made to effect economy in expenditure In spite of this it is not possible to argument the finances of this Municipality

In the circumstances, I request you to kindly apprise this plight of this Municipality to Government and request ~~Government~~ Karnataka to waive off the arrears of interest (both annuity and penal) of Rs 5,230-11-3 claimed by the Accountant General for Mysore

The resolution of the Municipal Council accompanies Treasury Challan in Karnataka enclosed for reference Yours faithfully,
